

HOLIDAY PRESENTS FOR A CHILD PROJECT

In order to assure the success of this project, please read the following carefully:

- 1) For each child that your Local Union wants to “adopt,” the Local must commit to providing the funds to purchase the specific gifts requested, up to \$100, including tax, per child.
- 2) The Local Union may “adopt” more than one child, provided the Local is absolutely certain they are able to fund the purchase of gifts for each of the children requested.
- 3) Upon receipt of the form below, you will receive the name of a child and the information the parent has supplied on the specific gift(s) listed. There will be a form for you to complete and attach to the wrapped gift, stating exactly what is in the package. The form also lets the parent know which Local Union or individual provided the gift. Please print clearly on the form.
- 4) It will be up to each parent to determine whether the child knows the presents were provided by a USW Local or if the present came from the parent or Santa. It is important that the Present Information Sheet is completed and attached to the child’s gift. All presents should be gift wrapped.
- 5) If you are not able to make the trip to deliver the presents on the specified date, please make arrangements to (1) have someone deliver the presents for you, or call Teresa Hartley, 419-619-9931, for assistance in locating someone in your area to handle the delivery of the presents, or (2) ship your presents to USW Sub-Area 2, c/o Marie Webster, 4069 Bradley Circle NW, Canton, OH 44718.
