WE HAVE YOUR BACK!

SIX MONTHS INTO ILLEGAL LOCKOUT, LOCAL 235A MEMBERS STILL STANDING STRONG TOGETHER

Sherwin Alumina's illegal lockout of Local 235A members has entered its sixth month. Our members continue to stand strong against Sherwin's corporate greed, and we remain committed to reaching a fair contract that ensures a strong future both for our members and their families, and for the company.

Part of our commitment to fighting for justice is to make sure that we are there to support our fellow members when we need each other the most.

With that in mind, we'd like to remind all Local 235A members that there is help available for those who might need assistance paying bills or other expenses during this time.

Unless otherwise noted, the Local 235A Hall, at 2301 Saratoga Boulevard, is open from 9 a.m. to 2 p.m. Monday through Friday for assistance.

The number to call to set-up an appointment to discuss your needs is 361-814-1850 (union hall).
