

Dress for Success Clothing Drive to Benefit My Sisters Closet!

The Central New York USW Women of Steel is collecting gently used women's clothing through Mother's Day (May 10).

My Sister's Closet helps women in the YWCA Residence Program in Syracuse to develop appropriate professional wardrobes as they work toward finding and obtaining employment. Donations of gently used women's work clothing and accessories are gratefully accepted.

Items may be dropped off at the USW office at 812 State Fair Blvd, Syracuse (Lakeland) or call Heather (315) 468-1623 to arrange for pick-up.

For more information contact Heather in the Syracuse USW Office at (315) 468-1623
