Dear Sisters and Brothers:

District 1 is again offering Safety and Health/OSHA Courses at Linden Hall from **Sunday, August 4, 2019 through Friday, August 9, 2019**. Please see the classes listed below:

1. If you are interested in the OSHA Certified 30 hour course, register for Selection Number 1. Check-in is on Sunday and check-out is on Friday. There is a limit of 40 participants based on first come, first serve. (There is no extra fee – District 1 will cover the cost.)
2. If you are interested in the 511, prerequisite to the 501, register for Selection Number 2. For this class there is a fee of **\$400.00**. Check-in is on Sunday and check-out is on Friday.
3. If you want to be certified to teach OSHA General Industry, register for Selection Number 3. You must have an OSHA 501 Card which is about to expire or have taken the 511 class. For this class there is a fee of **\$650.00**. This class will not be held unless there are three or more people registered. Check-in is on Sunday and check-out is on Friday.

Before you make your selection, check the requirements listed above.

District 1 will **subsidize** each member’s room and board. The local union’s cost for each delegate is **\$550.00 plus the licensing fee if required**. Checks should be made payable to **“USW District 1 Education/Recreation Fund”**. In order to keep the cost down, rooms are based on **DOUBLE OCCUPANCY**. (The licensing fees are listed above and on the registration form.) As usual, all lost time and expenses must be borne by the local union.
