Senator Napoleón Gómez Urrutia  
President and General Secretary  
National Union of Mine, Metal, Steel and Related Workers of the Mexican Republic

Dear Napoleón,

On the 14<sup>th</sup> anniversary of the murder of our brothers Hector Alvarez Gómez and Mario Alberto Castillo during the Los Mineros strike at the steel mill in Lázaro Cárdenas, Mexico, the United Steelworkers in the U.S. and Canada send condolences and solidarity to their families and to our Mineros sisters and brothers.

Hector and Mario live on in the fight for justice in Mexico and everywhere in the world.

Because of the pandemic, the Steelworkers are not able to march with you physically this year, but we continue to march with you in spirit, as always.

In solidarity
