DEATH BENEFIT DUES
In the event you leave employment seeking permanent and total disability, YOU MUST CONTINUE PAYING YOUR DEATH BENEFIT DUES until such time as permanent and total disability status is established. As a general rule, disability determination routinely takes from 6 to 8 months. Please inform our office of such status and any overpayments will be refunded.

Do not permit your DEATH BENEFIT DUES to become delinquent over 90 days. All GMP members are responsible for making payments to maintain death benefit eligibility. All early retirees are responsible for payment to age 65. If you are self-paying, indicate your local union number and forward your check to:

Randy J. Gould, GMP Int’l. Secretary-Treasurer
608 E. Baltimore Pike, Media, PA 19063

Persons wishing to report a death or discuss the death benefit may call the Death Benefit Department at 610-565-5051 ext. 221. Remember to update your beneficiary card as needed. The beneficiary of record is solely entitled to the Death Benefit.

All claims must be filed within five (5) years of death.
On November 4, 2014, there will be elections for 36 governors’ offices, 36 U.S. Senate seats and all 435 House seats. Equally important, control of nearly every state legislature will also be at stake. In this year’s all-important elections, the best way to overcome the corrupting power of money in politics is by organizing and harnessing the strength of our numbers. We need to come together to make our voices heard and to elect leaders who will work to (1) rebuild the middle class and (2) recast the economy so that it works for all of us and not just the one percent. Please get out and vote and make sure your family, friends and co-workers exercise their right and responsibility to vote.

Many times we are frustrated with our elected officials and say why vote when it doesn’t seem to make a difference. As working people it is clearly in our best interest to turn out and vote for candidates who support solutions that will make a difference for working families. You can make a difference if you vote for candidates who tell the truth about what is happening in our country; candidates who speak clearly about falling wages and the concentration of wealth and income; and candidates who understand the astounding tilt in our economy and politics toward global corporations and the very rich.

Working men and women need to protect their future and that of their children by going to the polls and voting for candidates who offer a better future; candidates who stand for investing in the United States to create jobs and make our country more competitive; candidates who oppose giving tax breaks to companies that send jobs overseas or signing trade agreements that benefit corporations and not people; and candidates who stand up for our seniors and are steadfast in protecting Social Security and Medicare.

As working families we support candidates who stand for raising wages for the 99 percent, not cutting taxes for the 1 percent; who speak out about the importance of unions for a strong economy and to protect middle class jobs; who support collective bargaining; who support workers who are trying to organize; who fight off attacks on the NLRB; and who support sensible laws and viable government agencies with strong enforcement authority to protect these rights.

Sadly, we are now accustomed to far right wing extremists groups and their candidates using negative advertising and scare tactics to seek votes by looking to divide and conquer the 99 percent for the benefit of the 1 percent. Fear mongering is a powerful tool in the arsenal of the far right extremists but it can be exposed and defeated with proper education and advocacy and by our dedicated efforts to get out the vote for candidates who support an opportunity agenda offering a full range of measures designed to create good paying jobs, rebuild our infrastructure and lift the wages of most Americans.

Educate yourself, your family, co-workers and neighbors on the issues and the candidates. Your vote is your choice, but please consider checking our website, the National AFL-CIO web site and your respective state AFL-CIO web sites for information on the issues and the candidates. As working-class voters we have an opportunity to change the outcome of these elections by voting for the candidates that truly represent middle-class values and middle class priorities. Candidates that support an economy that works for all, where opportunity is real, wages rise and the government is truly on our side. Get to the polls on Election Day. Your Vote is Your Voice. Be Heard.
The GMP Indiana State Council and Educational Conference (ISC & EC) has sponsored a golf tournament for more than 30 years. Former GMP International President James E. Hatfield always attended the yearly council meeting and enjoyed participating in the golf outing. In 2003, the ISC&EC passed a unanimous motion naming the golf tournament the “James E. Hatfield Invitational.” After his passing in 2007, the tournament was renamed the “James E. Hatfield Memorial.” The tournament continues to grow each year and is now the largest single tee time tournament in Grant County, Indiana.

This year’s golf tournament was held at the Arbor Trace Golf Course located in Marion, Indiana. There were 35 teams with a total of 175 golfers participating with GMP Local 38 as the host local. Additionally, there were many GMP non-golfing members helping to assist in making the tournament a huge success. GMP members from Locals 14, 37, 38, 42, 65, 96, 121, 178, 207 and 229 golfed, sponsored teams and made donations to this event. Additionally, the following GMP employers also participated in many ways from golfing to generous donations: O-I Corporate; O-I Lapel Glass plant; Packaging Corporation of America, Gas City Plant; Ardagh, Dunkirk Plant; Ardagh Corporate, Muncie; Knauf Insulation, Shelbyville; GPS America, Marion. The GMP International Union also sponsored holes and made a donation to the Grant County Rescue Mission.

In total the GMP and GMP Employers raised $800 and approximately 1,000 pounds of non-perishable food for the Grant County Rescue Mission; in addition the golf outing sponsored four children with school supplies and clothes totaling an additional $1,000. Working together, GMP Union members, their families and GMP employers enjoyed a fun day and helped the local community.

The officers of the ISC&EC are:

Paul McCoy, President
Mike White, Vice President
Rick Wayman, Recording Secretary
Connie Gibson, Financial Secretary

LABOR DAY

Labor Day Picnic
Headwaters Park
Fort Wayne, Indiana

The biggest Labor Day event in the State of Indiana saw a crowd of over 7,500 people, with over 100 volunteers from different Labor Unions. The Fort Wayne Philharmonic Players Association provided live music; there were many activities for the children which include face painting, balloon artist and bingo.

Celebrating Labor Day

Approximately 75 – 100 Local Union 222 members, family and friends attended the celebration throughout the day. There were games and face painting for the children and a DJ for everyone’s entertainment.
President Smith appointed Rob Torkelson of Local Union 63B in Minneapolis, Minnesota to the Young Worker Advisory Council (YWAC). Rob serves local Union 63B as Recording Secretary and as Financial Secretary to the Midwest Conference Board.

The YWAC is an advisory group of the AFL-CIO with a goal of helping to develop young workers into young leaders. The YWAC will focus on engaging young workers in political action and organizing and will advise the “Do’s and Don’ts” of communicating with young workers in this area as well. The YWAC will strive to develop strategies, partnerships and change attitudes when involving young workers.

The YWAC works with another AFL-CIO young worker group called the Next Up Workers Program and will have many AFL-CIO departments to rely upon for help and resources in discharging their agenda.

Brother Torkelson attended his first meeting with the YWAC August 11–14, 2014 in Washington DC at AFL-CIO headquarters. The weeklong meeting saw a lot of hard work conducted by the YWAC in areas of selecting co-chairs and General Board Seat Representatives, and responsibilities. Brother Torkelson’s first action in his new role will be attending and participating in the Minnesota Young Workers Group meeting.

The GMP holds the concept of developing young workers involvement and participation with high regard and considers the need to develop young workers into leaders essential in the future successes of the Labor Movement. We are proud of Brother Torkelson’s commitment and participation with the YWAC and look forward to his contributions and hearing from him at various GMP functions.
